

UniSettle 5.0 / UniPile 6.0 Terms and Conditions

- Quotes are valid for 60 days from the date of submission.
- Annual subscription can be renewed early without penalty.
- We accept most debit and credit cards and electronic funds transfer (EFT). Banking and wire transfer details are available upon request.
- Additional fees for purchase orders valued at less than \$1,000 may apply.
- We do not register or subscribe to 3rd party payment platforms such as CHORUS, SIGMA, COUPA, etc.
- Our software is distributed electronically by e-mail. We do not provide or distribute the software on a hard medium.
- Our applications are copy protected via a unique serial number and activation code which are provided after we receive payment confirmation.
- License and seats are validated by Amazon Web Services (AWS). An Internet connection is required to run the application at all times. Visit [https://download.unisoftgs.com/License Agreement.pdf](https://download.unisoftgs.com/License%20Agreement.pdf) for our End-User License Agreement.
- Technical support may be obtained by e-mail at support@unisoftgs.com or via our website at <https://www.unisoftgs.com/contact/>.
- UniSoft Geotechnical Solutions Ltd operates from Canada under the 2018-2019 Trade Agreement with Mexico and the United States (USMCA). Except for GST/HST for Canadians residents, we do not collect or remit foreign sales tax. Our IRS Form W-8BEN-E is available at https://download.unisoftgs.com/UniSoftGS_W8BENE.pdf.
